3 关于 SVN 的问题

A terminal window with a dark blue background and white text. The window title is 'mimo5g1@mimo5g1-sever: ~'. The text in the terminal shows the SVN client version and a command to check out a repository. The command is 'svn co svn://5gmimo/5gmimo_x86 .'. The output shows two error messages: 'svn: E170013: Unable to connect to a repository at URL 'svn://5gmimo/5gmimo_x86'' and 'svn: E670002: 未知的主机“5gmimo”'. The second message is underlined in red. The prompt 'mimo5g1@mimo5g1-sever:~\$' is followed by a cursor.
